

Introducing HFI

HFI is a specialist international corporate/commercial legal and business ventures consultancy. It was established in Dubai in 2003 by Hugh Fraser, former General Counsel of John Wood Group plc in the United Kingdom.

HFI's origins are in the North Sea oil and gas industry and we have clients from over 20 countries.

Our team from 16 nationalities and speaking 20 languages comprises 50 specialists and 15 support personnel.

We have legal consultants based in Australia, India, Indonesia, Iran, Qatar, UAE, UK and USA.

We also have business consultants in Australia, Canada, Egypt, India, Iran, Netherlands, Norway, Qatar, Russia, UAE, UK and USA.

Our Mission

- To be a world-class professional services firm dedicated to the success of our clients in the international energy, water & environmental sectors
- To be a major driving force in assisting our clients to successfully develop their international business interests
- To offer our clients a distinct competitive edge through a powerful combination of legal and commercial expertise and experience
