## About HFI

### Our People

HFI was established in Dubai in 2003 by Hugh Fraser, former General Counsel of John Wood Group plc in Scotland. Our origins are in the North Sea oil & gas industry and our client base is spread over 20 countries, especially the global energy technology centres in Western Europe, USA, Canada and Australia.

Our core team of employed consultants is based in the UAE and Qatar. We have a legal alliance network in key Middle East and Asia Pacific territories and several specialist consultants in key international locations

including Calgary, Houston, Aberdeen and Stavanger, Delhi, Singapore and Perth WA.

Our team comprises over 15 nationalities speaking 15 languages.

Our goal is to be a world class professional services firm dedicated to the success of our clients and to be a major driving force in the internationalisation of advanced technologies and know-how to key developing markets in the Middle East & North Africa, Asia Pacific and Russian Federation & Caspian region.
